

KATADYN COMBI FILTER - *the award-winning all-around filter*

PRODUKTMERKMALE

Technology:	Pump filter, ceramic depth filtration (0.2 microns = 0.0002mm pores)
Effect:	Eliminates bacteria, protozoa, cysts, algae, spores, sediments and viruses in combination with particles greater than 0.2 microns. Also reduces chemicals and radioactive particles.
Output:	Approx. 1 l/min
Capacity:	Ceramic up to 50,000 l depending on the water quality Activated carbon up to 400 litres (2 fillings)
Weight:	580 g
Dimensions:	27 x 6 cm
Guarantee:	1 year
Material:	Resistant plastics, stainless steel, silicone, ceramic
Accessories:	Prefilter, bottle adaptor, carry bag
Article No.:	2040000
Series:	Endurance

FACTS

- All-around filter for water qualities around the world
- With intelligent problem solutions (see below)
- The tried and tested ceramic depth filter removes bacteria, protozoa and other disease-causing agents. The principle: the micro-organisms cannot pass through the mini pores of the filter ceramic (0.2 microns) because of their size (greater than 0.2 microns = 0.0002 mm)
- Test result from Stiftung Warentest (01/2001): "Recommended" (best water filter in the test)
- Unlike disposable filters, the ceramic can be cleaned several times - even in the field
- Optional "Plus" add-on kit for home, caravan or boat use.

PRODUCT CHARACTERISTICS > BENEFITS

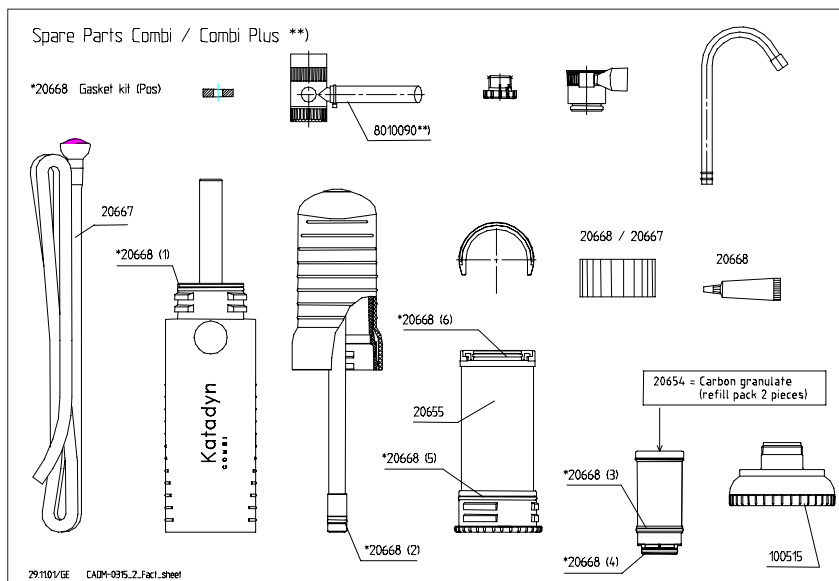

- 2-stage filter (active carbon, ceramic) > does not only remove disease-causing agents, but also chemicals and improves the taste of the drinking water
- Simple change to 1-stage operation (only ceramic without activated carbon stage) > reduces use of active carbon granules and ensures maximum use of capacity
- Robust design > long lasting and extremely reliable
- Tap add-on kit "Plus" > simple connection to a tap in a kitchen, caravan, camper or boat - the only water filter for both indoor and outdoor use!
- Cleanable ceramic filter element > also filters very cloudy water
- Measuring gauge supplied > indicates when the filter element should be changed

SHORT PROFILE

All-round filter with many useful features. For 1-4 people. Trekking, travelling, expeditions. With the "Plus" add-on kit, also suitable for use in caravans and boats.

SPARE PARTS

SPARE PARTS

- 20655 Replacement ceramic filter-element
- 20654 Replacement activated carbon granules (2 fillings)
- 20668 Combi small parts set
- 20667 Tube set
- 20664 Active carbon cartridge (empty)
- 100515 Bottle adapter (PET, Nalgene, SIGG)
- 8010090 Adaptable valve with 90 cm tube

For more details on spare parts not listed in the key, please contact your Katadyn products supplier

OPTION

"Plus" add-on kit for connecting to taps at home, in a caravan, on a boat etc.
